Editorial Calendar 2011:

Security & Safety Magazine #1	IP Cameras With Embedded Analytics Web-based Access Control Systems for Small Enterprisers: Efficient Solutions Integration of Security Systems Into the Corporate IT Infrastructure Wireless Alarm Systems: Advices from Professionals IP Video Surveillance for Multi-Occupancy Building	4 Feb 2011	7 Mar 2011	MIPS'2011 Mosbuild'2011 SecuTech Expo (Taiwan)
Security & Safety Magazine #2	LCD Monitors for Video Surveillance Access Control: Required Biometrics Solutions Open Systems: Platforms & Protocols Data Transmission Technologies in Broadband Multicervice Networks, Wi-Fi, WiMAX IP Video Surveillance Systems for Modern Office Building	15 Mar 2011	22 Apr 2011	MIPS'2011 IFSEC'2011 (UK) Complex Security-2011
Security & Safety Magazine #3	Outdoor Cameras With Embedded IR Lighting Audio and Messages Transmission by IP Protocol Security Equipment Intellectualization: New Possibilities for End-Users Engineering Systems Management in Fire Condition IP Video Surveillance for Small Retail and Medical Chains	29 Apr 2011	3 June 2011	Fire Safety in 21-st Century 2011
Security & Safety Magazine #4	Video Analytics Processors for IP Cameras Integration: Physical & Logical Access Cable Infrastructure: PoE Global Trends in Perimeter Protection IP Video Surveillance for Fuel Stations	12 Aug 2011	15 Sept 2011	INTERPOLITEX'2011 SFITEX'2011
Security & Safety Magazine #5	Megapixel Video Surveillance: Analogue & IP Solutions. ONVIF vs HDcctv New Project Of all-Union State Standard for Access Control Systems IP Video Surveillance: Requirements to Ethernet Networks	14 Oct 2011	21 Nov 2011	All-over-IP'2011 CityBuild'2011

	New Technologies in Alarms and Perimeter Protection Systems IP Video Surveillance Systems for Territory Allocated Facilities			
Security & Safety Magazine #6	Video Recording and Storage: Past, Present, Future Security Monitoring: Newest Technologies of Signal Transmission Soft for Video Stream Processing: Operator Replacement, Taking Solutions Integration: Fire Alarms and Engineering Systems of Buildings IP Video Surveillance Systems for Public Places	25 Nov 2011	23 Dec 2011	SST 2011 Mosbuild'2012

Special Editions 2011:

Fire Alarms, Perimeter Protection Buyers' Guide 2011	Practical Experience of Fire Alarms Choosing, Expert Opinions from End-Users and Installers	15 Mar 2011	22 Apr 2011	MIPS'2011 IFSEC'2011 (UK) Complex Security-2011
DVR Buyers' Guide #1 2011	PC-Based and Stand-Alone DVRs: New Achievements Megapixel Video: Problems and Solutions of Video Registration Tasks Video Registration Systems Modernization: Costs Decreasing	15 Mar 2011	22 Apr 2011	MIPS'2011 IFSEC'2011 (UK) Complex Security-2011
CCTV Buyers' Guide 2011	Practical Experience of CCTV Solutions Choosing, Expert Opinions from End-Users and Installers IP Solutions for Transportation, Oil&Gas, Retail and Finance Sectors Video Like a Service for Private Sector	12 Aug 2011	15 Sept 2011	INTERPOLITEX'2011 SFITEX'2011
Armored Vehicles Buyers' Guide 2011	Round Table Discussion: Meeting of Armored Vehicles Manufacturers Global Tendencies: Cash&Transit and VIP Armored Vehicles Market Review: VIP Cars	12 Aug 2011	15 Sept 2011	SST 2011 Mosbuild'2012
Fire Safety Catalogue 2012	Requirements from Governmental Customers to Fire Safety Solutions Regional Projects: Tasks and Solutions Self-Regulated Organizations: Practice.	14 Oct 2011	21 Nov 2011	All-over-IP'2011 CityBuild'2011
DVR Buyers' Guide #2 2011	PC-Based and Stand-Alone DVRs: Successful Usage Practice Requirements to Registration Systems With Megapixel Video Data Transmission Technologies	14 Oct 2011	21 Nov 2011	All-over-IP'2011 CityBuild'2011
Access Control Buyers' Guide 2012	Practical Experience of Access Control Solutions Choosing, Expert Opinions from End-Users and Installers Typical Access Control Solutions for Enterprises of Different Size: Small, Middle and Large Market Review: New Technologies and Products	24 Dec 2011	10 Feb 2012	SST 2012 Mosbuild'2012
Security & safety Catalogue 2012	Security Market Experts' Opinions: Security Systems Development Trends Typical Solutions for Different Industry Enterprises Integrated Security Systems: Requirements from Big Corporate End-Users	24 Dec 2011	10 Feb 2012	SST 2012 Mosbuild'2012 MIPS'2012
